Experience

Real Estate Development & Construction
JUNE 2019 - PRESENT
Worked with numerous companies (Meschi Construction, Crows Nest) as a member of the construction & laborer team to complete projects.
- Framing and structural support work
- Experience plumbing, framing, caulking.
- General clean-up and job site organization

Humble Sea Tavern
FEBRUARY 2022 - JULY 2023
Worked across all restaurant functions including server, food runner, host, and retail worker. Managed multiple tables, greeted and seated customers, maintained restaurant cleanliness, and operated the Toast POS system for orders and sales.

Music Production
JUNE 2016 - PRESENT
I have experience in music production and sound design for various artists. My skills include utilizing Ableton and third-party plugins. I am proficient in playing the piano and am a self-taught guitar and bass player.
